What makes you a good candidate to coach a New Church Planter? Having helped start 2 successful cowboy churches, I am looking forward to the opportunity to help and assist other church planters. I've personally experienced the excitement and the difficulties that come with starting a new church work. Having been there, I am confident my experiences will benefit others and the training that I have received will help me be a positive coach for any New Church Planter. As we say in cowboy church, "Saddle up and get ready to ride!"
